

# I-395/SR 836/I-95 DESIGN-BUILD PROJECT

Financial Project Numbers: 251688-1-52-01, 423126-1-52-01, 423126-2-52-01, 429300-2-52-01

## LONG TERM, SINGLE LANE CLOSURE ON THE SOUTHBOUND I-95 RAMP TO EASTBOUND I-395

On Monday, July 1, one lane on the southbound I-95 ramp to eastbound I-395 will be closed until mid- 2023. The ramp lane closure will extend to just east of NW 1 Avenue. The closure of the lane is necessary to allow the contractor to build the new bridges adjacent to the ramp, as well as the new mainline I-395. The initial phase of the work will require the closure of the left lane as shown below. The right lane will be closed at a later phase of construction. One lane will always remain open during peak travel periods. In order to close the travel lane, the entire ramp will need to be closed on Sunday, June 30, between the hours of 10 p.m. and 5:30 a.m. Drivers can follow the detour shown in the map on the right.
